Building our National Transport Future

Dear resident or business owner

**Albury Wodonga Hume Freeway – Ettamogah to Murray River
Temporary closures and night works at Bridge Street rail overpass**

Abigroup has been contracted to design and construct the Albury Wodonga Hume Freeway from Ettamogah to the Murray River. Major construction commenced in June 2005 and the freeway is currently scheduled to open to traffic in mid 2007.

The Roads and Traffic Authority (RTA) is managing the project in NSW. This section is fully funded by the Australian Government.

Girders for the new Bridge Street rail overpass will be assembled on site from Saturday 25 February to Tuesday 28 February 2006.

Bridge Street, from west of the Schubach Street roundabout to west of the rail underpass, will be under traffic control during this activity and reduced to a single lane at times in the interest of safety. Bridge Street will be temporarily closed on the following days:

- **Saturday 25 February from noon to 6pm.**
- **Sunday 26 February from 6am to 4pm.**
- **Monday 27 February from 7pm to 6am.**
- **Tuesday 28 February from 7pm to 6am (if necessary).**

A sign posted detour will redirect traffic to and from East Albury via Borella Road.

The size and complexity of this essential activity will require work out of normal construction hours from:

- **Saturday 25 February from 1pm to midnight.**
- **Sunday 26 February from midnight to midnight.**
- **Monday 27 February from midnight to midnight.**
- **Tuesday 28 February from midnight to 6pm (if necessary).**

Every effort will be made to minimise the impact of works. Noise and vibration will be monitored in accordance with the project's environmental management plan.

The Bridge Street site engineer is contactable during after hours work on 0410 442 018.

Construction work hours are Monday to Friday 7am to 6pm and Saturday 8am to 1pm. Nearby residents will be advised of any construction works occurring outside normal construction hours.

Abigroup apologises for any inconvenience this work may cause. If you would like to know more about this or any other aspect of the project, or if you have questions about Abigroup activities, please call the **community information line on 1800 674 934 (24 hours, toll free)**.

Alternatively you can email albury@abigroup.com.au, write to the address below, or call in to the project display centre on Dallinger Road, east of the Main Southern Railway near the Corrys Road intersection. The display centre is open Monday to Friday from 9am to 5pm (excluding public holidays).

Yours sincerely

Carol Bartley
