Bridge Street night works and traffic changes

The substructure for the new Bridge Street rail overpass is scheduled to be installed from Tuesday 27 December 2005 to Friday 30 December 2005.

To minimise disruption to rail services, this essential activity will require some work out of normal construction hours.

Extended hours of work at Bridge Street

Hours of work for this period are currently scheduled for:

- Tuesday 27 December from 4.30am to midnight.
- Wednesday 28 December from midnight to 11pm.
- Thursday 29 December from 7am to 5pm.
- Friday 30 December from 7am to 5pm.

Noise and vibration will be monitored in accordance with the project's environmental management plan.

Every effort will be made to minimise the impact of works. If you have any comments or concerns please phone 24 hours, toll free 1800 674 934.

Changes to traffic conditions

Bridge Street from west of the Schubach Street roundabout to west of the rail underpass will be under traffic control during this activity. Bridge Street will be temporarily closed and reduced to a single lane at times in the interests of safety.

Safety

Motorists and pedestrians are asked to observe all signage and traffic control directions to ensure public safety.
