

Dear Business Owner or Resident

**Albury Wodonga Hume Freeway – Ettamogah to Murray River  
Jelbart Road and North Street construction work**

Abigroup has been contracted to design and construct the Albury Wodonga Hume Freeway from Ettamogah to the Murray River. Major construction commenced in June 2005 and the freeway is scheduled to open to traffic in mid 2007.

The Roads and Traffic Authority (RTA) is managing the project in NSW. This section is fully funded by the Australian Government.

**Bridge and road construction works at Jelbart Road and North Street will commence on Wednesday 13 July 2005 and are expected to be completed in February 2006 (weather permitting).**

**These works are part of the construction of the new freeway and include:**

- **closure of North Street between Jelbart Road and Eames Street;**
- **all utility and rail adjustments necessary to enable construction;**
- **construction of the new Jelbart Road alignment, including relocation of the existing Jelbart Road / Fallon Street intersection, while maintaining access through Jelbart Road; and**
- **construction of the North Street overpass.**

**It is anticipated that the new Jelbart Road link will be open within four months and the North Street overpass within eight months.**

Construction work hours are Monday to Friday 7am to 6pm and Saturday 8am to 1pm, nearby residents will be advised of any construction works occurring outside normal construction hours.
