

Dear Resident

**Albury Wodonga Hume Freeway – Ettamogah to Murray River
Temporary closure of Borella Road (Riverina Highway) to relocate a water main**

Abigroup has been contracted to design and construct the Albury Wodonga Hume Freeway from Ettamogah to the Murray River. Major construction commenced in June 2005 and the freeway is currently scheduled to open to traffic in mid 2007.

The Roads and Traffic Authority (RTA) is managing the project in NSW. This section is fully funded by the Australian Government.

Borella Road (Riverina Highway) will be closed between Schubach and Electra streets on Sunday 4 December 2005 from Noon to 5pm.

A detour around the Borella Road work site using Short, Cadell and Electra streets will be signposted.

The temporary closure is necessary to enable relocation of a water main.

Work on the relocation of the water main will take place between 9am and 6pm on Sunday 4 December 2005.

Abigroup apologises for any inconvenience this work may cause. If you would like to know more about this or any other aspect of the project, or if you have questions about Abigroup activities, please call the **community information line on 1800 674 934 (24 hours, toll free)**.

Alternatively you can email **albury@abigroup.com.au**, write to the address below, or call in to the project display centre on Dallinger Road. The display centre is open Monday to Friday from 9am to 5pm (excluding public holidays).

The project's independent environmental management representative is available during business hours on 6023 3799.

Yours sincerely

Carol Bartley
