Dear resident or business owner

**Albury Wodonga Hume Freeway – Ettamogah to Murray River  
Temporary closures and night works at Bridge Street rail overpass**

Abigroup has been contracted to design and construct the Albury Wodonga Hume Freeway from Ettamogah to the Murray River. Major construction commenced in June 2005 and the freeway is currently scheduled to open to traffic in mid 2007.

The Roads and Traffic Authority (RTA) is managing the project in NSW. This section is fully funded by the Australian Government.

**Work on the new Bridge Street rail overpass will continue from Thursday 9 March 2006 to Monday 17 April 2006.**

**This essential activity requires some work out of normal hours** (Monday to Friday from 7am to 6pm and Saturday from 8am to 1pm) **and temporary closures of Bridge Street, from west of the Schubach Street roundabout to west of the rail underpass.**

**Bridge Street is scheduled to be temporarily closed from 6pm to 9pm on Thursday 9 March 2006 and Friday 10 March 2006.**

**Bridge Street is scheduled to be temporarily closed from 6pm to 6am on the following weeknights:**

- **Monday 13 March**
- **Tuesday 14 March**
- **Wednesday 15 March**
- **Thursday 16 March**
- **Friday 17 March**
- **Wednesday 22 March**
- **Thursday 23 March**
- **Monday 3 April**
- **Tuesday 4 April**

**Bridge Street is scheduled to be temporarily closed on the following weekends:**

- **Saturday 11 March 2006 from 1pm to 5pm.**
- **Saturday 18 March 2006 from 1pm to Monday 20 March 2006 at 6am.**
- **Friday 14 April 2006 from midnight to Monday 17 April 2006 at 1pm.**

**Bridge Street will continue to be under traffic control during this activity and reduced to a single lane at times in the interest of safety. A sign posted detour will redirect traffic to and from East Albury via Borella Road during temporary closures.**

**Every effort will be made to minimise the impact of works. Noise and vibration will be monitored in accordance with the project’s environmental management plan.**

**The Bridge Street site engineer is contactable during after hours work on 0410 442 018.**

Abigroup apologises for any inconvenience this work may cause. If you would like to know more about this or any other aspect of the project, or if you have questions about Abigroup activities, please call the **community information line on 1800 674 934 (24 hours, toll free).**

Alternatively you can email [albury@abigroup.com.au](mailto:albury@abigroup.com.au), write to the address below, or call in to the project display centre on Dallinger Road, east of the Main Southern Railway near the Corrys Road intersection. The display centre is open Monday to Friday from 9am to 5pm (excluding public holidays).

Yours sincerely
