

Dear resident

**Albury Wodonga Hume Freeway – Ettamogah to Murray River
Temporary after hours concrete saw cutting at Corrys Hill roundabout**

Abigroup has been contracted to design and construct the Albury Wodonga Hume Freeway from Ettamogah to the Murray River. Major construction commenced in June 2005 and the freeway is currently scheduled to open to traffic in mid 2007.

The Roads and Traffic Authority (RTA) is managing the project in NSW. This section is fully funded by the Australian Government.

Essential saw cutting of the concrete pavement is currently scheduled at the new Corrys Hill roundabout on the following dates:

- **Thursday 25 May 2006**
- **Friday 26 May 2006**
- **Saturday 27 May 2006**
- **Monday 29 May 2006**
- **Tuesday 30 May 2006**

Saw cutting will commence out of normal working hours from 6pm each evening and be completed as quickly as possible. The duration of activity will vary from 30 minutes to work through the night depending on weather conditions, pavement type, concrete mix and designs.

Saw cutting is an essential activity to protect the integrity of newly laid pavement and ensure concrete cracking does not occur in unplanned locations.

Some saw cutting needs to occur out of normal working hours due to the activity being required from one hour up to 24 hours after concrete placement. Timing of the work is critical, with a window of typically less than a one hour existing to prevent unplanned cracking whilst ensuring the concrete has sufficient hardness to support a concrete saw.

Every effort will be made to minimise the impact of works. Noise will be monitored in accordance with the project's environmental management plan.

The site engineer responsible for these works is contactable during after hours work on 0410 462 795.

Abigroup apologises for any inconvenience this work may cause. If you would like to know more about this or any other aspect of the project, or if you have questions about Abigroup activities, please call the **community information line on 1800 674 934 (24 hours, toll free).**

Alternatively you can email albury@abigroup.com.au, write to the address below, or call in to the project display centre on Dallinger Road, east of the Main Southern Railway near the Corrys Road intersection. The display centre is open Monday to Friday from 9am to 5pm (excluding public holidays).

Yours sincerely

Carol Bartley
