Dear business owner

**Albury Wodonga Hume Freeway – Ettamogah to Murray River  
Temporary closure of Fallon Street between Leslie Drive and Jelbart Road**

Abigroup has been contracted to design and construct the Albury Wodonga Hume Freeway from Ettamogah to the Murray River. Major construction commenced in June 2005 and the freeway is currently scheduled to open to traffic in mid 2007.

The Roads and Traffic Authority (RTA) is managing the project in NSW. This section is fully funded by the Australian Government.

**Fallon Street will be temporarily closed from west of Leslie Drive to east of Jelbart Road from 7am to 5pm on Saturday 3 June 2006.**

**The closure is required to complete construction of the northern tie-in to Fallon Street from Leslie Drive and Jelbart Road as part of the freeway works.**

Abigroup apologises for any inconvenience this work may cause. If you would like to know more about this or any other aspect of the project, or if you have questions about Abigroup activities, please call the **community information line on 1800 674 934 (24 hours, toll free)**.

Alternatively you can email **albury@abigroup.com.au**, write to the address below, or call in to the project display centre on Dallinger Road. The display centre is open Monday to Friday from 9am to 5pm (excluding public holidays).

Yours sincerely
