Building our National Transport Future

Dear resident or business owner

**Albury Wodonga Hume Freeway – Ettamogah to Murray River
Temporary traffic signals on Fallon Street**

Abigroup has been contracted to design and construct the Albury Wodonga Hume Freeway from Ettamogah to the Murray River. Major construction commenced in June 2005 and the freeway is currently scheduled to open to traffic in mid 2007.

The Roads and Traffic Authority (RTA) is managing the project in NSW. This section is fully funded by the Australian Government.

Temporary traffic signals will operate on Fallon Street from Monday 20 February 2006 between the new Jelbart Road intersection and west of the rail crossing.

This temporary change to traffic conditions is required to enable safe movement of heavy machinery along the freeway corridor.

The temporary signals will operate at this location during construction hours until April 2006. Motorists and pedestrians are asked to observe all signage and traffic control directions to ensure public safety. Motorists may experience delays of up to 5 minutes at this location.

Construction work hours are Monday to Friday 7am to 6pm and Saturday 8am to 1pm. Nearby residents will be advised of any construction works occurring outside normal construction hours.

Abigroup apologises for any inconvenience this work may cause. If you would like to know more about this or any other aspect of the project, or if you have questions about Abigroup activities, please call the **community information line on 1800 674 934 (24 hours, toll free)**.

Alternatively you can email albury@abigroup.com.au, write to the address below, or call in to the project display centre on Dallinger Road, east of the Main Southern Railway near the Corrys Road intersection. The display centre is open Monday to Friday from 9am to 5pm (excluding public holidays).

Yours sincerely

Carol Bartley
