Building our National Transport Future

Dear resident

**Albury Wodonga Hume Freeway – Ettamogah to Murray River
Temporary changes to Hume Street slip lane access**

Abigroup has been contracted to design and construct the Albury Wodonga Hume Freeway from Ettamogah to the Murray River. Major construction commenced in June 2005 and the freeway is scheduled to open to traffic in mid 2007.

The Roads and Traffic Authority (RTA) is managing the project in NSW. This section is fully funded by the Australian Government.

Access to the Hume Street slip lane from Young Street will be closed on Thursday 16 February 2006.

The following arrangements will operate until the end of March 2006 to ensure access to individual properties:

- **Vehicles travelling to 429 Hume Street will be able to access the property directly from Hume Street.**
- **Vehicles travelling to 419, 421 and 423 Hume Street will enter and exit the properties using the slip lane access just past the concrete barrier on Hume Street.**

These changes are required to reconstruct a T-intersection with traffic lights at the junction of Hume and Young streets as part of the freeway project.

Construction work hours are Monday to Friday 7am to 6pm and Saturday 8am to 1pm. Nearby residents will be advised of any construction works occurring outside normal construction hours.

Abigroup apologises for any inconvenience this work may cause. If you would like to know more about this or any other aspect of the project, or if you wish to make a complaint about Abigroup activities, please call the **community information line on 1800 674 934 (24 hours, toll free).**

Alternatively you can email albury@abigroup.com.au, visit the project website, www.rta.nsw.gov.au/albury, or call in to the project display centre on Dallinger Road, east of the Main Southern Railway near the Corrys Road intersection. The display centre is open Monday to Friday from 9am to 5pm (excluding public holidays).

Yours sincerely

Carol Bartley
