*Albury Wodonga Hume Freeway
Ettamogah to Murray River*

Temporary out of hours demolition of the Dean Street traffic bridge

The demolition of the Dean Street traffic bridge will take place during a fixed closure of the Main Southern Railway from Saturday 30 December 2006 to Tuesday 2 January 2007.

The demolition of the bridge will be staged to reduce the possibility of damage to the rail line and minimise disturbance to the community.

Demolition works are currently scheduled to occur on each day from 7am to 8pm until completion of the activity. Approval has however been granted for this essential demolition work to be conducted 24 hours a day if additional time is required to complete the task during the fixed rail closure.

Every effort will be made to minimise the impact of these works.

If you would like more information about the construction of the Albury Wodonga Hume Freeway, Ettamogah to Murray River, please call the Abigroup community information line on 1800 674 934.
