

# TRAFFIC ALERT

Contact: Carol Bartley, 0412 994 800

*Albury Wodonga Hume Freeway  
Ettamogah to Murray River*

## CHANGES TO TRAFFIC CONDITIONS AT ROLL OVER CORNER

Traffic will be reduced to one lane in each direction at "roll over corner" on the Hume Highway in Albury from 9am on Monday 13 March 2006.

This change to traffic conditions is required to build a T-intersection with traffic lights at the location by mid April 2006.

The new intersection will connect the junction of Hume and Young streets with the new Atkins Street link, currently under construction, as part of the Hume Freeway project.

Works including reconstructing the pavement, adjusting the median barriers and realigning the road will be staged to ensure one lane of traffic flow in each direction at all times.

Motorists are asked to observe all signage and traffic control directions to ensure public safety.

Every effort will be made to minimise the impact of works.

Abigroup regrets any inconvenience caused by these temporary changes to traffic conditions.

If you would like more information about the construction of the Albury Wodonga Hume Freeway, Ettamogah to Murray River, please call the Abigroup community information line on 1800 674 934.
