TEMPORARY CHANGES TO TRAFFIC CONDITIONS AT INTERSECTION OF BORELLA ROAD AND SCHUBACH STREET

The intersection of Borella Road and Schubach Street will be temporarily closed again from Saturday 7 January 2006 to complete concrete works and asphaltting, delayed due to weather and utility relocations.

Access to and from East Albury, during the closure of the intersection, is via East, Electra, Dean and Bridge streets.

The new roundabout at Borella Road, Short and Schubach streets is scheduled to be completed by June 2006.

Motorists are asked to observe all signage and traffic control directions to ensure public safety.
