TEMPORARY CLOSURE OF SHORT STREET AT BORELLA ROAD

Short Street will be temporarily closed to traffic at Borella Road on Thursday 27 April 2005 (weather permitting) and is currently scheduled to reopen in July 2006.

Access to and from Short Street will be via Electra Street.

The closure is necessary to enable construction of the northern half of the new roundabout at the intersection of Borella Road, Short and Schubach streets.

Construction of the roundabout is being staged in the interests of road safety and minimising traffic congestion. The new roundabout is currently scheduled to be completed in July 2006.

Motorists are asked to observe all signage and traffic control directions to ensure public safety.

Abigroup regrets any inconvenience caused by this temporary closure.
